

IEEE CEDA STUDENT TRAVEL GRANT PROGRAM

IEEE CEDA Student Travel Grants may be awarded to any student attending a CEDA-sponsored conference, symposium, or workshop. The grants are allocated based on the clear need for support for the requesting students. 10-15 Student Travel Grants are awarded annually, based on the number of applicants and availability of program funding.

The maximum request allowed for any Student Travel Grant is

- \$1,500 for intercontinental travel
- \$1,000 for Intracontinental travel

Please note that allowable expense allocation under the Student Travel Grant program includes event registration fees, lodging, and airfare, depending on the availability of funds.

Awards are announced no later than 45 days before the event.

Please note that priority will be given to:

- students with accepted papers at the event
- students who have not previously received CEDA travel grants
- students travelling from developing countries (as listed by IEEE)
- students who have secured matching funds from their institutions
